2022 ANNUAL ALUMNI PICNIC

I have attached this year's picnic flyer for you.

CLASS OF 1967 REUNION

The 1967 - 55th class reunion starts on Thursday, August 4, 2022 (11:00 am). It will begin at the annual all-alumni picnic. It will continue later at Mancini's in St. Paul for an Evening Event. There is a \$5 donation AT the all-alumni picnic. There is a \$25 per person IN ADVANCE for the Evening venue at Mancini's! Complete details for the 1967 55th Reunion are at <https://classreport.org/usa/mn/minneapolis/vhs/1967/>, including registrations and payment information for the evening event (hotel registrations due no later than July 1, 2022). Phone Mike Bury at 612-618-1372 or email Mike at mike323b@comcast.net for additional information if needed.

CLASS OF 1972 REUNION

The 1972 50th reunion was held on June 25, 2022, and I believe it was a great success. I understand this is the last regular class reunion. Classmates will continue meeting together at the All-Alumni Picnic held on the first Thursday in August each year.

CLASS OF 1974-1976 REUNION

The combined 1974, 1975, & 1976 class reunion was held on Saturday, April 30, 2022, and I believe it was also a great success. I understand this is the last regular class reunion. Classmates will continue meeting together at the All-Alumni Picnic held on the first Thursday in August each year.

ALUMNI REQUEST

Matt (Mattsbu@q.com) is searching for a color photo of a Vocational girl's letter jacket with the black flap on back. If you have a color photo of this style of letter jacket, send it to Matt.

PICNIC NEWS CONTINUED

The benches on the new aluminum picnic tables in 2021 did not cover the length of the tables, limiting our seating capacity. We will be bringing some folding chairs to complement the new tables. At one end of each table is a provision for wheelchairs. If not used, we can put three chairs at that particular end. We will place the new tables back to back, which will allow a lot more seating for the picnic.

A special thank you to the alumni who showed up early to assist in the table alignment and setup. We will need the same assistance in 2022. I expect the minimum donation amount for 2022 to be kept at \$5. However, it will be appreciated due to higher costs if you can donate more. In 2023 we may be forced to increase the minimum donation. It really depends on the attendance in 2022. The picnic was initially funded from the Class of 1964 reunion fund and has been self-funding since 2015.

PICNIC RSVP ONLINE

Finally, our Picnic Team requests RSVPs be made online if possible. We are now accepting RSVPs for the August 4th picnic online at this link - <http://www.mplsvocational.com/rsvp.html>. Please note that no contact information is required on this form. Only class year, first name, last name, and the number of attendees. The rsvp database will allow us to estimate the supplies we will need. Alternatively, phone or email me with this basic information, and I will personally add it to the rsvp database.

OTHER STUFF

I got a good report from my eye specialist yesterday. My eye is improving and it appears I might be back to normal vision in the next few months. This disaster was my mistake, as I ignored the high blood pressure caused by the jaw bone infection. The root canal tooth source of infection was removed and my blood pressure was brought back down using olive leaf extract and celery seed extract. About \$15 worth of nutraceuticals that dramatically reduces blood pressure. The high blood pressure blew a blood vessel to a left eye muscle. Oops! Thank You for your prayers!

2007 Honda in mint shape for sale. Becky and I decided to go back to one car. We are selling our Honda for \$7800. It is in excellent condition. If you have an interest, give me a call.

May God Bless your continued health,

--
