Greetings Ed,

This email is a quick heads-up about my latest book, "The Doctor's Death Diagnosis."

In December 2022, Goodreads is holding a drawing for 100 Kindle eBook editions of "The Doctor's Death Diagnosis" book.

You can join the drawing at <http://www.goodreads.com>. If you are not a member, it's easy to join and use this book site.

Goodreads is a website for readers to gather, get recommendations, share the books they like with friends or like-minded readers, and find their favorite authors. I have recently joined the authors on Goodreads.

You don't have to accept a death diagnosis or live with a severe illness. Learn self-care, alternative health, and spiritual healing strategies in this book. "The Doctor's Death Diagnosis" book is 252 pages and includes a list of "100 Healing Secrets and Tips." \$2.99 eBooks are available along with low-cost pdfs and print books. This book is available in five different versions, three electronic and two print, at <http://www.thedoctorsdeathdiagnosis.com>.

Please pass the word to your family and friends and give them a gift of health, healing, and hope.

May God Bless your continued health,

/Ed Palmer/
